

PAOLONI

Squadratrici a lama inclinabile
Panel saws with tilting blade
Formatkreissäge mit schwenkbarem Sägeblatt

Scies circolares à lame inclinabile
Escuadradoras con disco inclinable
Форматно-раскrojечные станки с
изменением угла наклона пилы

P 350 NX
P 350 Sx
P 350 Ax

I Dati tecnici sega

Technical specification table for a circular saw, organized into sections: A richiesta, Dati tecnici sega, GB Technical data saw, D Formattiche Daten, F Données techniques scie, E Datos técnicos sierra, and Technical specifications. Each section contains detailed technical data across multiple rows for different models (P 350 Ax, P 350 Sx, P 350 Nx).

GB Technical data saw

Table of technical data for the saw, including metrics like net weight, dust emission, motor power, shaft speed, scoring unit, and table dimensions. It lists values for three models: P 350 Ax, P 350 Sx, and P 350 Nx.

D Formattiche Daten

Table of technical data for the saw, including metrics like net weight, dust emission, motor power, shaft speed, scoring unit, and table dimensions. It lists values for three models: P 350 Ax, P 350 Sx, and P 350 Nx.

F Données techniques scie

Table of technical data for the saw, including metrics like net weight, dust emission, motor power, shaft speed, scoring unit, and table dimensions. It lists values for three models: P 350 Ax, P 350 Sx, and P 350 Nx.

E Datos técnicos sierra

Table of technical data for the saw, including metrics like net weight, dust emission, motor power, shaft speed, scoring unit, and table dimensions. It lists values for three models: P 350 Ax, P 350 Sx, and P 350 Nx.

Technical specifications

Table of technical specifications for the saw, including metrics like net weight, dust emission, motor power, shaft speed, scoring unit, and table dimensions. It lists values for three models: P 350 Ax, P 350 Sx, and P 350 Nx.

A richiesta

Table of technical data for the saw, including metrics like net weight, dust emission, motor power, shaft speed, scoring unit, and table dimensions. It lists values for three models: P 350 Ax, P 350 Sx, and P 350 Nx.
